### Honda Civic (eighth generation) - Wikipedia

While automatic transmissions were introduced later, the car began with a manual transmission, and manual versions have remained ever since, particularly for well-received Civic models like those released in the early 2000s.

### Complete Manual Transmissions for Honda Civic for sale | eBay

The civic had just reached the 78,000 mark. That along with the mis-shifts from race 9 and race 10 compelled me that the car was overdue for a transmission fluid change. Admittedly I've never done a manual transmission fluid (MTF) change all by myself. Prior to all this, I went to the Honda dealership to get 2 quarts of Honda MTF for about ...
