### Alexanders Bridge Willa Cather

Alexander's Bridge is the first novel by American author Willa Cather. First published in 1912, it was re-released with an author's preface in 1922. It also ran as a serial in McClure's, giving Cather some free time from her work for that magazine.

### Alexander's Bridge - Wikipedia

Alexander's Bridge, Willa Cather's first novel, is a taut psychological drama about the fragility of human connections. Published in 1912, just a year before *O Pioneers!* made Cather's name, it features high society on an international stage rather than the immigrant prairie characters she later became known for. The successful and glamorous life of Bartley Alexander, a world-renowned engineer and bridge builder, begins to unravel when he encounters a former lover in London.

"Alexander's Bridge", published in 1912 is the first novel by Willa Cather, though it should probably be considered a novella. It is a fairly quick read, but unfortunately it lacks depth and is overly simplistic. The title character is Bartley Alexander an engineer of bridges.

## **Alexander's Bridge by Willa Cather - Goodreads**

The textual editing of Alexander's Bridge is the result of contributions from many members of the Cather Edition staff, among whom we wish to acknowledge especially Kari Ronning and Kathleen Danker. The graduate students who contributed to the textual work were Kelly Olson, Heather Wood, and Megan Sedoris.
