High exterior temperatures of exposed surfaces on equipment ...

ATIS - DOCUMENT CENTER

Automatic terminal information service, or ATIS, is a continuous broadcast of recorded aeronautical information in busier terminal areas, i.e. airports and their immediate surroundings. ATIS broadcasts contain essential information, such as current weather information, active runways, available approaches, and any other information required by the pilots, such as important NOTAMs.

Automatic terminal information service - Wikipedia

PdM ATIS also has two evolving services, Army Learning Management System (ALMS) and Army e-Learning as well as the Enterprise Management Center (EMC), which provides connectivity and technical support to users. PdM ATIS is part of the U.S. Army Program Executive Office Enterprise Information Systems (PEO EIS). PEO EIS is responsible for project ...
