"I think everyone should give a copy of One Heartbeat Away to their non-believing friends and family. It contains compelling science that supports a Creator—an intelligence behind the design of man, nature, and the universe. Mark Cahill takes the existence of God from a leap of faith to an absolute logical conclusion. Brilliant.

Mark Cahill is a fundamentalist Christian who has written a book about why everyone should convert to Christianity. I have read a number of books by atheist and agnostic apologists, and wanted to give a Christian apologist a fair chance to present his case. I carefully read "One Heartbeat Away: Your Journey Into Eternity" from cover to cover.
