Amazon.com: Ninja Professional 72 Oz Countertop Blender ...

There's no need for pre-programmed options; I just turn the speed up high and blend until I'm done. Use your tamper! The 7500 comes with a large low-profile container, which is great for big batches of soup, but I would recommend looking into a 32oz or 48oz container if you do a lot of single-serving blending.

Every toaster on the market - regardless of price tag - has used the same heating coil technology invented in the 1800s - until now. This innovative appliance by Revolution Cooking™ features smart technology that toasts bread in a fraction of the time, locking in flavor and producing your preferred browning and level of crispness.

Revolution Cooking 2-Slice High Speed Smart Toaster ...

Our overall favorite is the Vitamix 7500 Blender, a sturdy model with plenty of capacity and quite a few speed options. This blender combines many of Vitamix's best qualities, with a very powerful motor and a great warranty. At 13 pounds, this blender is on the heavier side, but it's also moderately priced and powerful.

8 Best Vitamix Blenders of 2021 - Reviews & Top Picks ...

Increase the speed to medium and then to high. Begin to slowly tilt and lift the immersion blender in order to emulsify all the oil; turn the blender off and use the head to push down the oil at the top if necessary. When all oil is emulsified, remove blender and season with salt to taste.
