Agency is the relationship that subsists between the principal and the agent, who has been authorized to act for him or represent him in dealing with others. Thus, in an agency, there is in effect two contracts i.e. a) Made between the principal and the agent from which the agent derives his authority to act for and on behalf of the principal; and

The Law of Agency

The law of agency is an area of commercial law dealing with a set of contractual, quasi-contractual and non-contractual fiduciary relationships that involve a person, called the agent, that is authorized to act on behalf of another to create legal relations with a third party. Succinctly, it may be referred to as the equal relationship between a principal and an agent whereby the principal, expressly or implicitly, authorizes the agent to work under their control and on their behalf. The agent i

Agency, in law, the relationship that exists when one person or party (the principal) engages another (the agent) to act for him— e.g., to do his work, to sell his goods, to manage his business. The law of agency thus governs the legal relationship in which the agent deals with a third party on behalf of the principal.

A principal or agent is the legal agreement when one party acts on the behalf of the other. Other terms that might be used include a guardian, ward, administrator, executor, or employee. The law of agency is defined as the ability to act through another. In most cases, this applies to commercial relationships or contractual agreements.
