Things start to get more complicated when you move away from the black-and-white world of not-for-profit. But I think we're just going to have to learn to live with that, and get better at holding ...

To profit or not to profit. Is that the question ...

The issue of 'profit' (whether to make and/or distribute it) remains a dominant framing concept in western society, affecting the identities, practices and management education offers of Business Schools (Parker, 2018). We argue in this paper that this is to the detriment of co-operatives and (other) social enterprises who struggle to communicate their value through either 'for-profit' or 'not-for-profit' accounting frameworks.
