First, write the student academic behavioral learning objective based on the thinking parts above (especially the first and fourth steps; that is, what the students will be able to DO upon completing the lesson, and what student academic knowledge will be evaluated as a result). Second, follow steps A, B, and C as follows.

Lesson Plans the Easy Way

Not all work done by children should be classified as child labour that is to be targeted for elimination. Children's or adolescents' participation in work that does not affect their health and personal development or interfere with their schooling, is generally regarded as being something positive.

What is child labour (IPEC)

We do not consider whether you could get a job doing this work. For example, we do not consider: whether you would be hired, whether a job opening exists, whether you would be required to move, whether you want to do this work, whether you still have a certificate or license to do the past work. Step 5 ...
